In response to your letter dated June 3, 2008, the Committee regrets that a new software system it began using did not notify the Committee when contributions exceeded election limits. The Committee immediately corrected the software error and has been assured by the software company this oversight has been remedied. Redesignation letters have been sent to each contributor who contribution was attributed to the general election. In the case of Dennis Ullrich, a \$900 refund was issued in April of 2008. The Committee continues to implement the best efforts standards it outlined previously.
